

## "Everywhere" Fleetwood Mac - 1987

Can you hear me calling    Out your name?  
You know that I'm falling  
And I don't know what to say  
I'll speak a little louder    I'll even shout  
You know that I'm proud  
And I can't get the words out

*Oh I... (I's for harmony)*  
*I want to be with you everywhere*  
*Oh I...*  
*I want to be with you everywhere*  
*(Wanna be with you everywhere)*

Something's happening    Happening to me  
My friends say I'm acting peculiarly  
C'mon baby  
We better make a start  
You better make it soon    Before you break my heart

*Oh I...*  
*I want to be with you everywhere*  
*Oh I...*  
*I want to be with you everywhere*  
*(Wanna be with you everywhere)*

Can you hear me calling    Out your name?  
You know that I'm falling  
And I don't know what to say  
Come along baby    We better make a start  
You better make it soon  
Before you break my heart

*Oh I...*  
*I want to be with you everywhere*  
*Oh I...*  
*I want to be with you everywhere*  
*Oh I...*  
*I want to be with you everywhere*  
*Oh I...*  
*I want to be with you everywhere*  
*(Wanna be with you everywhere)*
