

Lean On Me

All sops: Sometimes in our lives we all have pain

We all have sorrow

But if we are wise

We know that there's always tomorrow

All parts CHORUS:

Lean on me, when you're not strong

I'll be your friend

I'll help you carry on

For it won't be long

'Til I'm gonna need

Somebody to lean on

All sops: Please swallow your pride

If I have things you need to borrow

For no one can see those of your needs

That you won't let show

REPEAT CHORUS

All altos: You just call on me brother/sister, when you need a hand

All parts: **We all need somebody to lean on**

Altos: I just might have a problem that you'll understand

All parts: **We all need somebody to lean on**

REPEAT CHORUS

All parts: If there is a load you have to bear

That you can't carry

I'm right up the road

I'll share your load

REPEAT CHORUS X 2

All parts: **Just call, just call me x2**
